

**Because Every Happy Ending
Needs A Great Beginning!**

Baby Ballerina is a truly unique and special experience for our youngest dancers, age 18 months to 5 years old. It is sweet, nice and kind, where smiling, sharing and saying "Thank You Very Much" are the main rules. It is filled with fairies and fairytales where imagination rules, creativity run amuck and learning is disguised with cute-ness and fun! Baby Ballerina has been mommy adored and ballerina loved for over a decade. It is just what every mommy dreams of for her little girl and exactly what every little girl's dreams are made of!

Happily Performed at A+ Dance Center studios in Canoga Park, California!
