

Greetings from A+ Educational Centers!

This summer A+ Educational Centers will be offering a terrific opportunity for our students to attend A+ SUMMER CAMP where kids have FUN while learning! A+ Kids can learn how to play chess, draw, sing, act, dance, cook – all while improving their math and reading skills. Each program engages, educates, and entertains through hands-on activities provided in a safe, caring environment where students feel free to explore. They won't even know they are learning because they will be having a lot of fun gaining new skills, testing the boundaries of their knowledge, discovering fascinating facts and new areas of interest while realizing their learning potential and making life-long friends.

Parents will be amazed at how much campers will learn during their weeks with us. We focus on each individual child and our staff to camper ratio is very small at 1:5. And the best part is that our summer programs are a GREAT VALUE at **LESS THAN \$10 hr!** That's right it's **ONLY \$199 per week!**

Whether your child attends one or multiple weeks, summers spent at A+ is a great way to a successful future both in school and out! A+ SUMMER CAMP weeks fill up rather quickly, so call today. To register please follow 4 easy steps on the right, or for more information, please call your nearest center below. Also check out our specials below!

Have a fun and exciting summer,
Jennifer Valdman, M.ED. – Director

P.S. We also service students in the home, office, public libraries and other locations. Please call for prices.

STEP III: CAMP THEMES (choose)

Please Note: Any of the following themes may be used during any week. Themes depend on enrollment and staff availability.

BEAD IT UP!

Keep your hands and mind busy as you dream up art projects involving any and all sorts of beads! Practice your lacing skills, design your own jewelry, and create shaped key chains all while using various beads and stringing methods.

ACTING / CREATIVE WRITING

Be a STAR! Acting taught in a fun filled environment by energetic and professional staff. Kids will have a lot of fun showing off their new skills at the end of the week performance!

CHESS MASTER

Help keep your student-child in mental shape this summer while having fun. Whether your child is a new-comer to the game or an experienced hand, playing chess is a fun way to stay mentally sharp, make friends and learn a game that can stay with them through the rest of their life. Our approach is to teach the game, tactics and strategy, while putting special emphasis on sportsmanship.

So You Think You Can DANCE?

This dance theme is a favorite for students who want to focus on improving their dance skills. We will have fun with hip-hop, ballet, jazz, lyrical, technique, etc. Please wear comfortable clothing.

A+ AMERICAN IDOL!

If you love to sing, this theme is perfect for students who want to work on their vocal technique this summer. Camp will go over how to breathe properly, how to increase your range, proper pitch, how to project and stage presence.

ART – PICASSO never had it so good!

Discover your inner artist and then proudly show off your masterpieces at the Art Show at the end of the week. You will have opportunities to play with duct tape, create your own self-portrait, and even design an outfit out of newspaper!

** Each camper is asked to supply a plain white, size appropriate t-shirt to decorate

TASTY PASTRY!

Learn the keys to success as an aspiring Pastry Chef - kitchen safety, following recipe instructions, and measuring all ingredients carefully! Once you have the basics, then the fun really begins - playing with dough! Twist your own pretzels, bake your own bread, and make lots of tasty sweet treats as you explore the world of pastries!
